

THE MEADOWS

There are homes that are occupied with **the fragrance** of fresh green grass.

Where crisp, clean air can inspire and envelope you in **lush green serenity**.

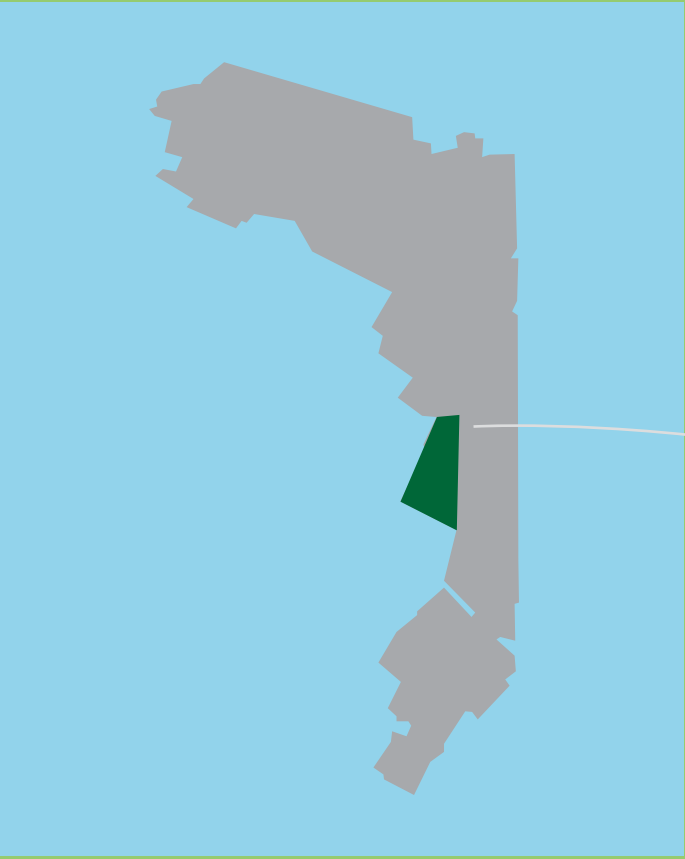

These are homes that mark perfect beginnings. For that long pushed morning walk.

That often neglected **fitness regime**. The much awaited mouthful of clean fresh air.

Presenting The Meadows. A great place to begin the life of purity.

The logo for Shantigram features a stylized, horizontal wave-like graphic above the brand name. The graphic is composed of two overlapping, curved lines in shades of green and blue. Below the brand name, the tagline "THE GOOD LIFE" is written in a smaller, all-caps, sans-serif font.

Location of The Meadows

Layout of The Meadows

Located in an expanse of 27 acres, The Meadows offers a healthy life of peace and quiet.

This cluster essentially comprises of 2, 2.5 and 3 BHK

(1000 – 2300 sq ft saleable area) apartments.

And where a well equipped multi-discipline athletics stadium

is just a stone's throw away, can fitness be far behind?

Designed and conceptualised by Mandviwala Outub & Associates (MOA), Mumbai,

The Meadows are ideal contemporary homes. For that perfect lifestyle.

First we built you a home that promises to add that zest in your day. And then we went ahead and added amenities that compliment it further. Ace facilities such as club, gymnasium, community hall, swimming pool and neighbourhood shops are ideal to kickstart your day. Or end one perfectly, if you like. And just in case you are looking for a perfect workout, we assure you the run won't be too long. After all, the jogging track in the stadium around the corner is ideal. And so are the tennis, volleyball and basketball courts and fields.
